

WFP Australia's first Solomon Islands scholarship recipient completed studies

Anne Bellavance
February 4, 2019

Dear friend of WFP Australia,

We are so excited to announce that Jenny, our first scholarship recipient, has just completed her studies in early childhood education, and is going to graduate in April 2019!

Jenny's thank you video

MEET SELINA

Our scholarship recipient for 2019.

This year, we are raising \$2000 to send **Selina** to the Solomon Islands National University to become a primary school teacher.

Donate to our online fundraising campaign to support the Pacific Island scholarship fund for women living in the Solomon Islands and **change a community** for the better!

Why?

In the Pacific Islands, opportunities for women to attend university are scarce. Without access to education and with no qualifications, too many women are forced to work in menial or subsistence circumstances.

Through leadership programs offered to the women, we ensure that scholarship beneficiaries share their new skills with their community. Your donation will have life-changing consequences, not only for our scholarship recipients, but also for their communities.

You will not only contribute to the breaking of one poverty cycle, you will help an entire community to break its own!

Donate to support Selina's education

Educate the one. Transform the many.
Melbourne, Victoria, Australia

\$325 raised
