Düsseldorf, Germany, 10. September 2012

By Anja Brina

UPF held on 10.09.2012 in memory and in honor of Rev. Dr. Sun Myung Moon, who died on 03.09.2012, an Interreligious prayer meeting. Present were participants of different faiths. After the greeting, some excerpts from the biography "As a Peace-Loving Global Citizen" by Rev. Dr. Sun Myung Moon was read, pictures of him were shown and musical accompaniment was given by Regina Spari and Takanari Wakayama. Each participant had the opportunity to go to the altar to take in silent farewell by giving a flower, saying a prayer and bowing before his picture. This created a very reverent atmosphere. Some participants shared their personal experiences with Rev. Dr. Sun Myung Moon, whereby also tears have been shed. The participants had the opportunity to enroll in a book of condolences. Rev. Dr. Sun Myung Moon will never be forgotten and we thank him for his efforts that

he has made for peace in this world. The condolence book was passed by Dr. Dieter Schmitt to the family member of Rev. Dr. Sun Myung Moon in Korea. We wish the family of Rev. Dr. Sun Myung Moon and his wife God blessing and hope that his legacy will be carried out into the world.
