

## Columbus, Cleveland and Cincinnati celebrate True Heavenly Parent's Day

Michael Candelaresi

February 8, 2016

At UC Columbus in Ohio, families from the cities of Columbus, Cleveland and Cincinnati gathered for a spiritual Sunday Service on the meaning of Heavenly Parent's Day, which is based on the determination to claim God for this world. After the message, members of the community symbolically cut a cake and the whole congregation sang "Happy Heavenly Parent's Day". Afterwards, an abundant pot luck was shared and a good time was had by all.
