

Terry Fox Cancer Research Charity Event in Malta

Myrabelle Corlett

October 3, 2015

Coming all the way from Canada, Mr. Joseph Camilleri (Aka 'Crazy Legs') organized the first 'Terry Fox Run/Walk' to raise funds for the research of cancer. The event, a first for Malta since it started 35 years ago in Canada, was held along the picturesque Birzebbugia Promenade.

The event was launched by the town mayor Mr. Barun Kevin and attended by young and old alike. Joseph himself brought his wife and whole family to support the good cause. Myrabelle Corlett, Chairperson WFWP, Malta, participated in the event alongside Ms. Maryrit Zammit, Joseph's sister. This year's event put Malta on the Terry Fox International Map and was dedicated to the memory of Maryrit's husband who succumbed to cancer only last month.

Regards,

Myrabelle Corlett
Chairperson, WFWP Malta
