November 19, 2017

On 19 November 2017, WFWP Malta members joined the 9th President's Solidarity Run/walk which is held annually in support of the Malta Community Chest Fund.

This year's Motto was: 'One Nation, One Heartbeat'. Thousands of people thronged the streets in support of this National Event which brings together a good cross section of the Maltese society. The event came to a culmination at the Palace Square in Valletta where the crowd was welcomed by bands playing joyful music, balloons ice-cream, fruit and refreshments.

The President of Malta, Her Excellency Marie Louise Coleiro Preca, the Prime Minister and the Leader of the opposition addressed and thanked all participants for another united, successful Community Chest Fund event.
