and

Invite by Central Bank of Malta to attend Lecture ' The Road to Women's Suffrage and Beyond' by Dr. Carmen Sammut, Pro Rector, University of Malta

18 Dec 2017:

WFWP Malta has been offering our services to SVPR annually helping take wheelchair-bound elderly residents from main blocks at SVPR to chapel to attend the celebration of Christmas Mass and after party. Directors and residents alike appreciate our volunteering especially since it is difficult for other organisations to find people willing to give of their time on Christmas eve. This year 12 members, including couples and young people joined in the event which as usual proved to be both joyful and fulfilling for all involved.

Also:

Being invited formally along with other Women's NGOs , Ms. Elona Mule Stagno (Secretary WFWP Malta) and Ms. Myrabelle Corlett (Chairperson WFWP Malta) attended this very interesting lecture and reception celebrating the seventieth (70th)

Anniversary since Maltese women obtained the constitutional right to vote.
