WFWP Malta was invited by the local Ahmadiyya Muslim Community to participate in the end of Ramadan thanksgiving and dinner called Eid, along with UPF Malta.

Myrabelle and Althea Corlett attended with their husbands on 31 May 2019.

Besides meeting with the President of the local Ahmadiyya community, Imam Laiq Ahmed Atif, we also found the opportunity to briefly meet with the newly appointed President of Malta Dr. George Vella and his wife, and introduced our organisation.

This was not the first time we were invited to this community's events and we have come to share many values that are commonly supportive of unity amongst various religious faiths.
