October 19, 2019

WFWP Malta Chairperson, Myrabelle Corlett, attended the half day SDG Conference titled 'Ghal Kulhadd, Ma' Kulhadd' (With Everyone, For Everyone) at the Fortress Builders Conference Hall Valletta.

The President Emeritus, Marie Louise Coleiro Preca, opened the Conference. Among other important speakers were Hon. Minister Jose Herrera and Hon. Jason Azzopardi MP.

World renowned Keynote speaker Prof. Arthur Dahl spoke about the SDGs as guides to Practical Action on the Environment. During the coffee break I had the chance to meet personally with Prof. Dahl and shared with him and other NGO reps in brief some info regarding our WFWP work internationally and the Sun Hak Peace Prize founded by Dr. Hak Ja Han Moon, co-founder of WFWP International.
