An associate friend of WFWP Malta introduced us to MISSIO Malta, a Catholic NGO that works with missionaries in poor countries.

Ms. Myrabelle Corlett Chairperson of WFWP Malta attended their office in Mosta to help with their preparation for postage of Fundraising leaflets for local benefactors on the 1st and 5th April.

Ms. Moira Muscat, MISSIO fundraising coordinator later phoned to thank Ms Corlett for her support and invited WFWP Malta members to attend again as they appreciated the help.

As WFWP we look for ways to work with other like minded NGOs and so promote the motto of being of service to the well-being of the community.
