To celebrate the 75th year of India's Independence the Indian High Commission of Malta organised a series of cultural events to promote Indian Culture and History. One such event was a cultural performance by Dr. Seema Anand, well versed in the art of storytelling bringing myths and legends to audiences in a most colourful and descriptive way.

As WFWP Malta was cordially invited to attend this particular event, Mrs. Elona Mule' Stagno and Mrs. Marilen Milan attended the event.

At the end of the performance all participants were invited to take a photo with Dr. Anand.
