On Saturday 4 June 2022, members from WFWP Malta accepted the invitation from MISSIO Malta to help their TV Fundraising activity.

MISSIO Malta is a Maltese Catholic NGO which organises various fundraising events to support the 18 Missionary countries under their umbrella. Money collected goes towards various projects to help over 300 families and hundreds of poor children with their education, building of schools, homes and clinics, farming and drilling boreholes, etc.

This year two members from WFWP Malta, Ms. Myrabelle Corlett and Ms. Elona Mule Stagno, were among other volunteers, mainly religious bishops, priests and laity who answers calls from generous donors during a half day Fundraising marathon that was transmitted on three local TV channels, namely Net TC, One TV and F Living TV.

Besides being a very pleasant experience to be of support to other NGOs, it gave us the opportunity to experience the heart and generosity of the

Maltese people in relationship with those less fortunate.
