On March 8th, UN Woman's Day 2023, Mrs. Marlen Milan and Mrs. Myrabelle Corlett represented WFWP Malta at a conference organised by FIDEM

Foundation at Hotel Corinthia San George in St. Julian's Malta.

During the course of the 4 hour Conference we had the opportunity to meet and introduce WFWP to some of the participants and present them with the autobiography of our Founder, Dr. Hak Ja Han Moon "Mother of Peace. A Memoir."

The three ladies to whom we personally handed the books were Ambassador for Peace Prof. Josanne Cutajar, Guest speaker; Prof. Marceline Naudi (speaker and panel coordinator) and Mrs. Anne Marie Grech, the wife of the present Leader of

the opposition of the Maltese Parliament. All three cordially received the books and showed their appreciation as we introduced them briefly to our organisation.
