The first day of year 2018 at Leda

Reported by Date
Translated by KA & JY

Happy New Year! We pray for your good health and success from Leda. We are determined to offer more substantial result to Heaven this year. Let's work together! Because 1,000 shrimp fry are arriving here with Dr. Magno Barreto soon, we are focusing on preparation centering on Mr. Nakata. We welcomed Katsugoro-san and a UPA member, Entela Mustafia, from Albania on January 2nd.

Watching Peace TV at HDH on the first day. We are so moved and excited to hear about the Kona coffee farm providence in Africa.

Ms. Entela just arrived in Leda. Mr. Ueyama drove the boat and Mr. Iwasawa welcomed her.

Cleaning a big fish tank for the culture of shrimp. (from back left: Mr. Nakata, Mr. Iwasawa and Mr. Ueyama)

Mr. Nakata (back) and Mr. Iwasawa are preparing four tanks for shrimp fry.

Christmas cake cutting on December 25th

Soba noodles eaten on New Year's Eve

Police officer's family spent time here at the end of 2017.

Mr. Miyake is chopping wood.

Mr. Kajimoto is cutting grass with a tractor.

It has been five months since Entela and Katsugora-san left and they are arriving together.

Paraguay tourists came by fishing boat. Some of them learned about Leda from Dr. Barreto.
