### **International Association of Youth and Students for Peace Introductory Session and QandA via Zoom Sunday 24th May at 6pm BST**

True Mother launched the International Association of Youth and Students for Peace (IAYSP, previously YSP) in 2017 for the purpose of restoring the young people in society. Since then IAYSP has developed quickly and been highly successful in impacting the youth and society in many countries.

There has recently been interest towards starting IAYSP activity in several EUME countries and therefore we feel it is of great importance to clarify the purpose and identity of IAYSP. We would like to invite all leaders and interested youth to join in an IAYSP Introduction Call on Sunday 24th May at 6pm BST (19:00 CET). This call will be oriented towards members. The program will include an introductory presentation, a word of motivation from Dr. and Mrs. Balcomb and a question and answer session.
