

True Heavenly Parent's Day in South Dakota

Mayuri Hoffman
February 8, 2016

A small gathering of families, 10 people in total, celebrated Heavenly Parent's Day in South Dakota. Izumi Kane offered a prayer, and the group read passages from the Pyeong Hwa Gyeong together. Mayuri Hoffman gave a message, after which the group shared a potluck dinner and cake. They spent time together all evening singing karaoke and playing charades.
