**Our Dear Elder Brother Rev. Hiroshi Inose  
has made the transition to the spiritual world.**

Memo from Subregion One:

It's with great sadness that we inform you that our beloved Rev. Hiroshi Inose has ascended to the spirit world. This information was relayed approximately at 4PM today Nov. 10th. It seems he collapsed yesterday and was at Hospital where he could not recover. Please say a prayer for him and his family with this unexpected news.

Rev. and Mrs. Inose dedicated their lives to Heavenly Parents, True Parents, and the American providence for many decades, and continued to serve as the National Kodan Director till present.

Let us support the Inose family at this time, and pray for a successful transition to the Spirit World for Rev. Inose and the comfort to Mrs. Hatsune Inose and their children in Japan.

A date for a National Level Seonghwa will be announced soon.

Sincerely,  
Resfred Arthur
