Dear Members,

It's with great sadness that we inform you that our beloved Rev. Hiroshi Inose has ascended to the spirit world. This information was relayed approximately 2 hours ago by the hospital, and there are still some uncertainties surrounding the unexpected news.

Rev. and Mrs. Inose dedicated their lives to Heavenly Parents, True Parents, and the American providence for many decades, and continued to serve as the National Kodan Director till present. Mrs. Inose is currently with him in the hospital, together with a few blessed families. Let us support the Inose family at this time, and pray for a successful transition to the Spirit World for Rev. Inose.

A date for a National Level Seonghwa will be announced soon.

Sincerely,  
Resfred
