The image displays two posters for public conferences held at Espacio Ronda. The left poster is for a conference titled "LA FIGURA DE JESÚS COMO MESÍAS" (The Figure of Jesus as Messiah) on Wednesday, October 28, 19:00 hours, featuring a portrait of Jesus. The right poster is for a conference titled "¿HAY VIDA DESPUÉS DE LA VIDA?" (Is there life after life?) on Saturday, October 10, 18:00 hours, featuring a landscape with a path. Both posters mention the location "ESPACIO RONDA Ronda de Segovia 50" and provide contact information. To the right of the posters is a vertical collage of four photographs showing the interior of the Espacio Ronda Cultural Centre during various events, including a large gathering and a presentation.

All the posters, flyers and program materials are produced by a team of Unificationists working at the cultural center.

Program Objective: To expand our reach of the Divine Principle into our surrounding communities and society at large

Reason for recommending this program:

With the support of the Tong Il Company of Spain, the initiative of Armando Lozano and the support of national leaders Miguel and Maryvonne Calvi, a center of excellence has been created enabling us to reach out to the larger society through arts and culture. Through these efforts the local society has come to appreciate the breadth of the vision of the Unification movement in Spain.

Approx. cost of running the program:

The project is self-financed by fees and contributions of co-organizers.
