General Report of the event - including photos and an assessment for the impact of the event.

On July 26th, we organized the inauguration of Heavenly Parent Holy Community together with our brothers and sisters from other religious communities.

Manuel Campillo as MC, invited our young 2nd gen brother Alejandro Travi , 10 years old who interpreted “Alleluya”

We had a catholic priest Jose Cruz, who practices budismo Zen for many years , he spoke about “Through their fruits, you will recognize them”

Yael Cobano, President of the Jewish Reform Community of Madrid, offers us words about unity and a Jewish song we sang together.

Wafir Shaikheldin and Sara Habasha one couple who is a bridge between Sudán, Islam and Ethiopia and the Coptic Orthodox Church, offered a recitation of the Koran and a Coptic devotional song.

Armando Lozano then explained the significance of the Heavenly Parent Holy Community.

Maryvonne Jamois shared words from Father Moon's autobiography and Mother Moon's memoirs.

David Muñoz Arbona, Educator and member of Senate in Spain explained his work as educator especially with interreligious and intercultural dialogue in Ceuta.

Our friend Ana Maria Sanchez offered one final song, and we finished with a final prayer by Manuel.

Because of the pandemic situation, we have around 45 persons, and around 200 connections by youtube. The member of the senate wrote an article in one local newspaper and today Tuesday there is more than 600 visualizations.

Everybody felt we are one family and one friend said, it has been an injection of energy, another said: Wonderful...

The event is now in the page: www.tallerdeespiritualidad.es
