

ACTIVITY REPORT OF HUNGARIAN FAMILY

December-January and beginning of February

True Heavenly Parent Day:

8th of February we celebrated the New Year, CIG-4 in Budapest at the Hotel Benczur. Blessed families, brothers and sisters and our friends came together to commemorate the THP's Day, TP's birthday and the 3rd Anniversary of FD as well. During the gathering we evaluated the last year activities and we appreciated the work and investment of several brothers and sisters. Our celebration ended with the cultural program offered by many talented children and adults. The very end we had a lottery as well. The last night of the year CIG-3, several members came together to conclude the year with prayer and self-reflection, same time making a new determination for the year CIG-4.

Tribal Messiah Activities:

Mr. Erno Sturm and his wife continued their project, „Runing for Peace”. In the moment there are 14 sportsmen who are involved in this project. Mr. Sturm beside of the runing he is inviting his freinds for lectures and talks where he is introducing the Movement and its founders.

Mrs. Agnes Berta continues to work with christian families inviting them to the Training center. She organizes program for the blessed children and the children of the christian families together. Such programs can help to make deeper bounds and trust towards each other.

Mrs. Leonita Zahora invites guests and friends to her home and introducing to them our Movement. Also she regularly uses the birthday of her children to invite the classmates and the parents to her home to introduce TP and offers the autobiography of TF. She also invest to connect and work together with the Phillipino community in Hungary.

Ms. Anna Maria Ballai some years ago started to visit and offer her lectures in Kaposvar city for elderly home. Recently she has been holding programs in three elderly homes at each second week. Also in her hometown, Szeged City she is doing courses for bus drivers and policemen how to deal with blind and weak-eyed people.

Divine Principle education:

End of January there was 1 Day advanced DP WS for those guests (6 people) who heard the first three chapters before. This time they continued on the Historical Parallels and the Second Coming. The last lecture was about True Father's life. End of February we plan to have a 1 Day WS where they can hear more details about True Parent's life.

There was an other seminar as well organized by Mr. Laszlo Jager. He invited his students (8people) for 3 Day Weekend Seminar, „Complete Your True Self”. He gave DP lectures to them and introduced

the True Parents and some of their projects and initiatives what True Parents started for the sake of world peace.

HARP-HU Winter WS:

„God is not dead” was the motto for the 4-day winter HARP WS which was organized for children the age of 14+ in Pecs, Training Center at 28th of December till 1st of January. The program included morning HDH, lectures on prayer, value of blessing, importance of study, how to avoid self-pity, purpose of witnessing, growth of character. The children divided up in different creative groups to share and learn skills. One of the morning the children went to street witnessing to challenge themselves and experience God’s heart and learn about how to approach people and testify about their faith. After the witnessing the children shared their experiences with each other. According the reflections the prayer evening was also one of the highlight experience for children. They were crying, playing, laughing together and sharing with each other. It was very uplifting and moving workshop! Thanks to God and True Parents!

Blessing Workshop:

16th of January we held a Blessing WS for those members who are going to the blessing in February, and to those members who are in the matching process or want to apply for matching. The lectures included the 5 steps of blessing, internal guidance on blessing, purity of mind and purity of body. And there was questions and answer session as well.

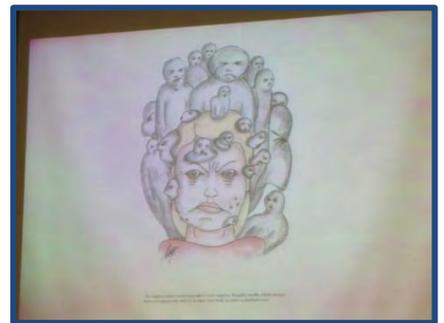

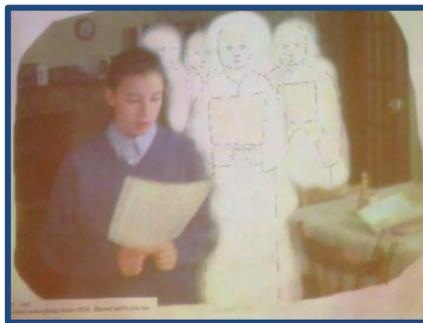

Visiting Communities:

The National Leader couple visited some of the local communities Pecs, Szeged and Kaposvar. Mr. Tibor Krebsz gave lecture on „The age of Woman” which was focusing from 1960 till 2013 how True Parents could build up their victorius figure as the True Parents of Heaven, Earth and Humankind. And how important was the final proclamation of True Parents on Abel Woman UN. The visit also gave a chance to share and give internal guidance to brothers and sisters. And pass it on the candle given by True Mother at the 3rd Seonghwa Anniversary in Korea.

Seminar on Spirit World:

We invited Mr. Philip Hill at 9th-10th of January to share his experiences about the Spirit World. He is opened spiritually and through his photos what he drew explained how the spirit world looks like. How the evil or good spirits are connecting to us. What happens when we do HDH, witnessing, using holy items, doing prayer. How True Parents can protect us and why the blessed ancestors can not help to members in certain situations and many other insights Mr. Hill was sharing to us. He also emphasized the most important job is that husband and wife become completely one in heart and love still before passing to our eternal home. Mr. Hill also offered for individuals or for couples internal guidance and counseling.

UPF activities:

The UPF organized evening lectures in Győr and Budapest cities and cultural evening as well. 21st of December there was also a Christmas evening in our Peace Embassy. Some of the AFP were reading Christmas poems. Mr. Peter Meszaros was reading from True Father's words on True Love and giving short internal guidance to guests on how to love and what is true love in practice.

Leaders meeting:

23rd-24th of January we held a Hungarian leaders's meeting. City Leaders, NGO leaders, Department leaders and Group leaders came together for two days. The purpose of the meeting was to educate the leaders, receive internal guidance, listening their needs, making plans for 2016, team building and sharings. Still we need to learn how to be more focused and making exact plans and keep focusing on VISION 2020. Also our National Leader wanted to be sure that we attend True Parents as one and unite centering on them.
