On June 3rd to 4th, 2017, HyoJeong Chung Pyung Special (Malaysia) Event has been successfully held in Cempaka Apartment Hotel in Kuala Lumpur, Malaysia. We had a total of 611 participants in this event, among them 180 were blessed families, 156 second generation, 175 single members, and 77 international participants (75 from Singapore, 1 from Indonesia and 1 from Sri Lanka) and 23 are children below 6 years old.

The main lectures given by Dr. Yong was so inspiring and just like the thunderous message from heaven to free all of us from a deep dark sleep. Everyone was so touch and has a deep repentance on the life of faith in the past, they determined to fulfil the mission given by heaven after connected to the heart and love of Dr. Yong. Through the Chung Pyung special lecture given by Rev. Lee and Rev. Chung, all the participants get to know more about the Chung Pyung works and all the special grace we received is from the devotion and sacrifices offered by True Parents.

In the chanyang session, many participants testified that they can feel the angels and absolute good spirits was around and the evil spirits are being separated, they have so much repentance and keep shedding tears. During the ancestor liberation and blessing ceremony, some outside people who join our event saw a spiritual phenomenon; they saw True Parents' face appeared in the sky and the wave of the clouds in the sky just like many spirits are gather together around the place where we held the ancestor liberation and blessing ceremony.
