October 7, 2023

At the beginning of our event WFWP Slovakia President Lubica Magnusson introduced Women's Federation for World Peace and its founders - Rev. and Mrs. Moon to our guests.

She gave an overview of our activities during the last year in Slovakia and explained about the UN work and international events of WFWP. She also promoted our European WFWP Annual Leadership Conference in Cyprus.

In the second part of the programme, Mrs. Seiko Jakubáčová, Master of Calligraphy, presented this art and explained about the origin and meaning of different calligraphic symbols, and then she taught the participants how to practice it. Everybody could try to make a little piece of calligraphy at the end. Our participants enjoyed it very much.

Altogether 31 participants of different ages from 16 to 80 attended the event. Leo Jakubáč, Seiko's son, helped with the translation from Japanese to Slovak. At the end, some Korean missionary guests could collect donations to support their mission work in Brno, Czech Republic.

It was a joyful event! We created a friendly atmosphere with lots of happy moments, sharing over coffee, tea and cake, and we fostered friendship with new guests and each other.
