Speaker: Rev. Hiroshi Matsuzaki

Sermon Title: Looking Back... It was All Love...

We thank you so much, Rev. Matsuzaki, for allowing us to participate in your deep recollections of times you spent together with our True Parents. On the sea with fishing, on land fixing the nets, laughing with the True Family and catching and not catching the big Tunas! We have asked you to speak, again and again because yours is a living and exciting testimony of love and life with our True Parents.

With a heart filled with prayer, you could prepare for whatever may come and help brothers and sisters to also meet the messiah.

To our IFA Family,

Hope you can come and celebrate the life of our true Parents together with us, as we listen again to our dear elder Brother, Rev. Matsuzaki, portray our True Parents to have a human face and the heart of our Father and Mother.

Rev. Matsuzaki was Blessed to his lovely wife in the 777 Blessing in 1970 and they have 2 wonderful sons!

Come and we can share together and be embraced by newfound understanding and light as we prepare for this, the 3rd anniversary of our True Father's Seung Wha and ascension.

See you all!
