On August 21, the Louisiana Family Church held the Special Grace Ceremony in Laplace, Louisiana at Pastor John Monestere's home. 18 participants, including six Blessed Central Families and six adult second-generation Unificationists, were in attendance.

Mr. and Mrs. Andrus drove over 180 miles to receive the Special Grace. Their daughter, Tiffany, received the Special Grace in Dallas, Texas. They are committing themselves to support the American Clergy Leadership Conference (ACLC), as well as Tribal Messiah activities in Lake Charles.

Despite the difficulties that recent floods brought to the community, all families and participants made tremendous effort to participate in the ceremony.

Pastor John Monestere shared, "All honor and glory to Heavenly Parent and True Parents. Thank you, True Mother, for pleading with Heaven on our behalf so that we could receive such a Special Grace! Last week a great portion of Louisiana was inundated with floods. It appeared at some point to make more sense to cancel and reschedule the Special Grace Ceremony. At least a third of those in attendance today had the probability of contenting with the aftermath of a 1000-year event which at best might be a bit inconvenient, but could easily be an impossible trip of 60-180 miles."
