

The Louisiana Family Church celebrates 2017 Holy Days

John Monestere
January 29, 2017

The Louisiana Family Church celebrated the 50th Heavenly Parent's Day, the 34th Day of Victory of Love and the 16th Anniversary of the Enthronement (Coronation) Ceremony for God's Kingship with family from near and far.

They welcomed new members and a team of four young men participating in the International Leadership Training Program from the Philippines and Japan, as well as one Unificationist who was between assignments with the U.S. Army.

The blessings continued with great food (Brazilian, Japanese, and American dishes) and conversation that followed the service.

"We are looking forward to continuing to celebrate the Holy Days in February with the same high spirits," said Rev. John Monestere. "It was a wonderful celebration with wonderful people who are truly living for the sake of others and practicing the Divine Principle in their daily lives.

We thank you, True Mother, for these words which inspired us as I read during our celebration today: 'The ones who can endure and reach the finish line will be a champion of filial piety. Please be the victorious one, ancestors of Cheon Il Guk.'"
