Dear friends,

Many thanks to all those who came and supported the Watford Interfaith Pilgrimage on Sunday 19th November. We had a wonderful experience visiting five places of worship in one afternoon going from a Synagogue to a Hindu Temple, a Mosque, a Catholic Church and finishing at a Gurdwara with a warm meal at the end. Over 80 people came. We managed to keep our timetable, the weather was good and we all enjoyed each other's company and learned a lot. Like one of the speakers at the Gurdwara said: There

are many religions, all coming from different springs. They become rivers which all flow to the same destination: the ocean'

My son Christophe took some photos that you can view at this
