

Peace Road 2016

Lisbon, Portugal, 11. September 2016

By Sergio Neto

On 11 September the Peace Road, held in the Portuguese capital Lisbon in the morning, attended by 70 members and several second generation. We went to various places of significance importance.

It was a fantastic day and all participants are enthusiastic.

Also the second generation participated.

At the end of the places we visited, we went to the Holy Ground, prayed together and then shared lunch. Late evening each returned to their homes.

We are very grateful to our Heavenly Father and True Parents for participating in unison with all of you in this great project Peace Road.

We wish to all of you success and many blessings.
