To celebrate the International Day Against Violence on Women, Virginia Vandini AoP from Association Feminine Value organised a conference titled, "You are mine." The writer of the book and a senator, were invited to report on the topic together with Elisabetta Nistri, WFWP Italy Chapter Leader, Virginia Vandini, and a Criminologist.

Elisabetta spoke about the importance of prevention and educating youth about moral value and true love, and about helping them to build a mature character.
