"PEACE ROAD 2020" SR2 Connect Call Tonight 7PM

Tonight, we discuss and plan Peace Road events, **one of which probably to be held n Maryland. (A tour and bike ride Celebrating the at the birthplace of Frederick Douglas and Harriot Tubman on Maryland's Eastern Shore.) We will hear from some of our National Coordinators.**

This is a great opportunity to build Intergenerational Harmony and work toward Peace In Our Time.

National Level Events will be held in Washington, DC and Jamestown, VA. A powerful healing statement will be made. It is the other end of the tragic journey that True Mother commemorated at its beginning point, Goree Island in Senegal last year.

A local level New Hope event can also be talked about to honor the two most famous African American heroes of the Civil War era, Frederick Douglas and Harriot Tubman, both born and raised on the Eastern Shore of Maryland. A memorial tour and a 25-mile bike ride from the Douglas hometown to the Tubman Hometown are under discussion. Your ideas and input and participation welcome!

We pre-tested the bike ride near Harriot Tubman's birthplace yesterday in the Blackwater Wildlife Refuge for 5 or 6 miles. It was incredible. Haughingly beautiful area. Harrowing and inspiring, the story of her amazing life. Talked to locals about her. All should come on the call tonight and participate in this Maryland event on the eastern shore in August.
