Title: **Appropriate Time for New Construction Movement**
Summary (gray box):

"In the new construction movement, we will not be successful if we have a self-centered political motivation as before. This is not the time for factions. We should not have any interest other than re-building our nation. We need to have the mood (spirit) for re-construction. Therefore, during this time of construction we should set aside our political interests (for the sake of the nation)."

नवनिर्माणको सही समय

नवनिर्माण अभियानमा हामी पहिलेको झैं राजनीतिक रूपले तेरो र मेरो गर्न थाल्यौं भने काममा सफल हुन सक्दैनौं। यसबेला कसैको पनि कुनै गुट हुनु हुँदैन । निर्माणबाहेक अर्को स्वार्थ पनि राख्नु हुँदैन। हामी सबै निर्माणको मुडमा हुनुपर्छ। राजनीतिक रूपले पूर्वाग्रही भयौं भने पुनर्निर्माण गर्न सक्दैनौं। त्यसैले, पुनर्निर्माणको अवधिमा हामीले हाम्रो राजनीतिक स्वार्थलाई टाढै राख्नुपर्छ।
