On Sunday, February 18th we had a national joint celebration of the True Heavenly Parent's Day and True Parents Birthday. Almost 70 brothers and sisters gathered at Prague HQ. We heard a sermon given by Prague church leader Eva Pejkofski, who reflected on the topic of What could the best present given by us to our Heavenly Parent and True Parents be. After tasting a traditional Korean meal, we enjoyed a performance by our talented brothers and sisters of all ages.

To commemorate Heavenly Parent and True Parents, to bring joy to Them and to the whole community, we as well announced an art contest. Many applied with their beautiful paintings and poems.

Happy True Heavenly Parent's Day and Happy Birthday True Parents
