

## STF Europe Midway Workshop

Dale Rose  
November 17 - 21, 2014  
Appenzell, Switzerland

STF Europe arrived in Appenzell on the 17th after the first Fund Raising condition. Everyone was so happy to see each other and share their tough yet unforgettable experiences with each other.

On the 18th we had testimonies from 1st years and had time to write reflections about the previous condition. Under the motto, discover identity as God's sons and daughters, Dale Rose gave passionate and deep content to the members about identity, values and motivation. During the workshop we had an amazing family evening, letter time where the members wrote letters to their parents, afternoon sports as well as a prayer night and goal setting for the next Fund Raising condition.

Now all the new teams have left for the 2nd Fund Raising condition which runs from 21st Nov till 24th Dec. Please pray for our brothers and sisters' safety and success.
