At the Peace Embassy in Albania, UPF and FFPBB organized an event to promote the book written by Dr. Saemira Pino and Gani Rroshi on "The Families of the XXI Century and Universal Values", a project initiated last year by HJ Academy.

There were about 120 participants in the event, including President Moisiu, current and former MPs, academicians, high representatives from media, civil society, and many Ambassadors for Peace.

Besides promoting the book, eight high-level VIPs were appointed as Ambassadors for Peace, including a President of a private University, well-known journalists, writers, and businessmen.
