The sub-region 1 of Latin America, Brazil, held a National Home Group and Heavenly Tribal Messiah Blessing on December 2, 2018. The title of the event was "National Encounter of Blessing to the Family". About 2,000 people took part nationwide, members and new guests.

About 200 couples received the blessing on this day throughout Brazil. In this event we explained about the value of the blessing ceremony and family. We also music and overall performances for the audience.

In addition to the Holy Blessing Ceremony, typical activities of the Home Group events were carry out, such as the entrance of the flags, explanatory words about the Home Group's vision and video about the work of Home Group throughout Brazil.

Sub-region 1, Brazil, will now invest primarily in Home Groups, Divine Principles and One-on-One Workshops to educate new couples who have received the Blessing so that they can strengthen as members.

All the blessed families of Brazil are investing their best efforts to complete the Blessing of 430 couples and fulfill the Heavenly Tribal Messiah mission.
