December 19, 2018

On December 19, 2018, Tatsuo and Etsuko blessed 16 couples at the Youth House of Misséréte and thus concluded the blessing of 430 couples.

Before the Blessing Conference, Rev. SASAKI gave a paper on sexuality and reproduction, which greatly interested the participants.

Following this blessing, a caravan of peace was launched in the commune of Misséréte at the Town Hall in the presence of the Mayor who greatly appreciated what the FFWPU and UPF Benin are doing for peace.

The couples showed great attention to the different communications. They were happy. It was a victory.
