A strategic meeting for the Victory of Heavenly Tribal Messiah was held from January 25 to 27 in the church of Campo Grande MS, the participants were missionaries of the State of Mato Grosso do Sul, in total 48 missionaries from 23 municipalities were present.

FFWPU Brazil, President Koichi Sasaki and Mrs. Onan, President of Women Federation for World Peace advised all the participants on the importance of the activities of the Heavenly Tribal Messiah and how we can be victorious in witnessing: shedding tears for the guest, a specific task to restore this person, thankfulness, repentance. He also spoke to take care of the church's patrimony, to be serious members about tithing and how we should behave in the public mission and the change of mission.

The opening words were given by Pastor Jang and Mrs. Min Jung emphasizing the course of restoration through indemnity and our portion of responsibility; also guided about the value of the Principle and that through the Spirit and Truth we can find God.

In the Sunday Service on January 27, a certificate was given to 14 blessed families who completed the Blessing of 430 couples of the Heavenly Tribal Messiah.
