"Give character education lectures and invite for 5 days seminar" is the purposes of High School Youth Orientation held last January 24 and 25, 2023 in Kampongseu province of Cambodia. The YSP-Cambodia with the cooperation with FFWPU- Cambodia organized the High School Youth Orientation in two different high schools in Kampongseu province of Cambodia.

The main purpose of the youth orientation is to give lecture to the grade 12 high school students about the important of character education and balance education, introduce who we are as FFWPU and YSP organization and we are inviting them to attend to our 5 days seminar on April 1-5, 2023 to our FFWPU-Cambodia headquarters in order to give them the Divine Principle lectures, experience practical training such as fundraising and our main goal to the participants is to become core members step by step starting from 5 days seminar and raise youth leaders in the near future.

All of the youth orientation participants are really inspired, excited, happy and determine to focus in their study and become successful in the future. Participants expressed their heart, share dreams and give their determination to study hard and achieve their dreams in life. Also excited and determine to attend to our 5 days seminar on April 1-5, 2023.

During the youth orientation we have the opportunity to give the Mother of Peace Book and promised to read and give reflections after reading the book. All the youth participants really inspired to the lectures and thinking how to apply in their daily life the education they received from the lectures. Everyone is happy to finished the youth orientation with happy smile.
