

3rd International Parents Seminar and Convocation for Families in Japan

Kizashi Takemura

October 18, 2014

Hi everyone

We are pleased to announce our third International Family Parents Seminar!

With the Global Youth Festival and Sun Jin Nim representing our True Mother in Japan, a new wind of heavenly love, rebirth and fresh hope is blowing for many young people and second gen. True Parents are loving deeply and caring for second generation's education and families. Many second generation are seeing the beauty and value of Blessing, now, and are actively seeking a spouse.

With this in mind, we are holding our third International Family Parents Seminar, led by Mr. Sasada and Mr. Hatakeyama. At this seminar we will learn about the new Family Matching guide book published abroad. We will also give how-to details, guiding parents through the matching and Blessing process.

All parents are invited. We will have 2 groups: Group A) Those with children 20+ years of age whose children desire to be matched by their parents. These parents will also have the opportunity to meet each other and share about their candidate children. We will also have a parents counseling opportunity. Group B) will be for those who have children not yet ready for matching but would like to gain a better understanding of the matching process.
