

Workshop for the John the Baptist Heavenly Tribal Messiahs in Kericho, Kenya

Emmanuel Tanui
April 6, 2018

After completing 430 couples, we organized a workshop for the John the Baptist Heavenly Tribal Messiah to empower them to fulfill their mission as the heavenly tribal messiah. The workshop took place at Sikh temple at Kericho town on from April 3rd to 6th, 2018.

We had a total of 28 participants. The bishops and pastors who attended were so excited and encouraged to hold blessing ceremony in their churches after their church sermons. They give testimonies and want us to go to their churches to educate the youth about the blessing.

Thanks to Rev. Kililo and Rev. Tanui who prepared the lectures and thanks to the Sikh community for their hospitality in their temple hostels.
