Women's Federation for World Peace UK invites you to an interactive educational programme. This is a three-part "Leadership of the Heart" series, which will focus on personal leadership, and how the way we think and act as individuals can have a positive impact on creating peace in the world.

We will be exploring:

1. WHAT IS "LEADERSHIP OF THE HEART"?
2. SPIRITUALITY: THE DIVINE IS CALLING
3. SELF VALUE/SELF WORTH
4. EMOTIONAL MATURITY: CHANGING MY PERSPECTIVE

Our hope is that by the end of these two evenings you feel empowered to know that you are already a leader of the heart and that you can make a positive difference exactly where you are in your home, work, or community.

Please [sign up today](#) as places are limited. The seminar will be held over two evenings: Friday 11th June from 7-10pm and Saturday 12th June from 6-9pm.
