Magali Rouyer-Johnsen walked us through an essential oil and acupuncture treatment procedure to become and feel even more fabulous. She generously let us use her essential oils and gave each of us a blend of oils according to our needs. On request, Magali taught us how to give a hand massage with essential oils which we could try out right away. In addition to all this, we had both deep and fun conversations that even led to some healing tears.

At the conclusion of this workshop, Magali received a Peace Ambassador Award from WFWP.

The following day, 8 Sept 2019, WFWP Norway held a BBQ for local members in Sætre, Norway.

Mitty Tohma, the WFWP regional leader for Northern Europe and WFWP UK President, participated in the "I Am Fabulous" workshop on 7 Sept and met with the WFWP Norway committee on 8 Sept. After giving a beautiful and moving Sunday Service, she joined WFWP members for a BBQ lunch in the home of one of our members one hour south of Oslo.

We thank Mitty for her words of guidance and inspiration during this time.
