This is the first time I heard Father's speech. 1973 outside of Boulder Colorado we had the Sunburst Ranch.

His speech was titled "Poor God".

I was sitting next to Lady Dr. Kim and she was crying thru the whole speech.

This picture is after the speech. Cynthia (Gibbs) Hiromitsu and Marcia ? singing.

I brought two army buddies and a high school friend and they brought three more guests. Three joined and only one remains to this day.

Spirit world really helped a lot then but I repent for being so immature and self-centered that I was unable to nurture them.
