Between January and July 2023, WFWP Portugal, has been holding weekly sessions of a "Teachers for Peace Course" for the Lusophone Countries (Portuguese Speaking mostly African Countries). The second part of this series is planned for November 2023 through April 2024.

The Course is taking place in response to the request of the WFWP Co-founder Dr. Hak Ja Han Moon out of her concern for Africa.

WFWP Portugal in partnership with Ambassador for Peace, Dr. Isabel Costa as the course trainer, and the collaboration of two WFWP Portugal members, decided to take action by helping to put the "Principles of Peace" teachings into practice.

The Course started in 2022, focused in Mozambique, followed by Angola and São tome e Príncipe in this latest instalment in 2023, and we got also participants from Brazil and Portugal.

The Sessions are held weekly, online via Zoom, each with around 25 -50 participants. From November onwards, we will be holding the sessions Sundays to enable more teachers to participate.
