

UNIVERSAL PEACE FEDERATION

UNITED STATES of AMERICA

November 10, 2015

Dear Distinguished Community Leader and Ambassador for Peace,

In commemoration of the 10th Anniversary of the Universal Peace Federation, you are cordially invited to attend the American Leadership Conference (ALC) entitled, *“America at a Turning Point: Principles and Values for Building a Nation of Peace”* to be held on Saturday, December 12th 2015 from 10:00 am until 4:30 pm, at the New Yorker Hotel, 481 8th Avenue, New York, NY 10001. The ALC is sponsored by the Universal Peace Federation USA and participants include governmental dignitaries, religious leaders, NGOs, academia and community leaders.

America and the world are at a critical turning point. Families, which are the cornerstone of society, are breaking down and the nation and world face political, social and moral challenges. At a time when the world is inter-connected globally, it is essential that national and world leaders work collectively in order to address humanity’s pressing global issues.

The conference will explore elements necessary to building a “Nation of Peace” through strong families, good citizenship, good governance and interfaith cooperation. Conference sessions include:

- Vision for World Peace
- Root Cause of Conflicts and Principles of Reconciliation
- Interfaith and Peacebuilding
- Family: The Cornerstone for World Peace
- Significant Role of Youth for Societal Advancement and Sustainability

The American Leadership Conference will provide an opportunity to share wisdom, insight and explore working collectively to create a nation and a world of everlasting peace and prosperity for all.

Prior registration is required. Register online at: <https://aclny.eventbrite.com>. For additional information, please email to: unitedstates@upf.org. We look forward to seeing at the Conference!
