We are very pleased to invite you to the Introductory Leadership Seminar to be held on Saturday, February 27, 2016 from 9AM until 1PM, at 4 West 43rd St. New York, NY 10036.

We have invited leaders from the government, religions, media, civil society, women and youth to listen and learn, to share and reflect on our own experiences, wisdom and insight for the sake of building a nation and a world of peace. We believe your participation in this important conversation will help assure its success.

The seminar will consist of three sessions. Each session will start with a brief presentation then followed by interactive group discussions. The topics will include: A Vision for Peace: Universal Principles of Creation; The Root Cause of Conflicts and The Principles of Reconciliation focusing on the original ideals, our realities and practical ways to building a nation of peace.

With this in mind, the seminar provides a golden opportunity for us to come together as a diverse peace-loving group of leaders to make a substantial impact in our communities, cities, States, American and the world.
