

"THE WORLD IN A SMILE"

Report by Elena Chirulli, CARP Italy

On Wednesday 2 February 2022, a new interesting national event was organized by the CARP ITALIA association. The evening, entitled "THE WORLD IN A SMILE", saw as a guest Andrea Caschetto, an extraordinary traveler who, thanks to his great and

innate empathy, lit the smiles of thousands of children, often in difficult situations and inspired many people. The meeting took place online and saw the presence of over seventy participants. Andrea is a "UN ambassador of smiles" and has traveled to convey his positivity from Sri Lanka to India, Nepal, Cambodia, Vietnam, Thailand, Australia, Brazil, Paraguay, Bolivia, Peru, Ecuador, Colombia and again from Ethiopia to Uganda, Rwanda and Congo. A story, that of Andrea Caschetto, steeped in sweetness, smiles, colors, sunshine after the rain and, above all, emotions. Words, videos and images interspersed and gave life to an unforgettable meeting, led by the CARP ITALY. A real journey under the banner of solidarity and peace, which saw Andrea as the protagonist of the event. The interaction with an attentive and motivated audience enriched the evening, making it full of food for thought. The event also included, at the invitation of CARP, the appointment of "Ambassador of Peace" to Andrea Caschetto by Flora Grassivaro WFPV Padua. An opportunity to enhance Andrea, his commitment to social issues and his desire to improve the world. An event full of energy, positivity and hope.
