June 5, 2022

The Heavenly Parents Holy Community of Padua Italy successfully carried out the inter-religious blessing ceremony in Vo '(Padua). 12 couples and many friends and associates attended. We are pleased to announce that the event was officiated by various religious representatives: the Bahai Renata De Matteis of the Venetian Bahai Community, for the Muslims Ait Alla Lhoussaine president of the Muslims in Veneto, the pastor Clements Kobene for the Evangelical Community, Gukson Capone representative of the Federation of Families for Peace and Father Gaetano Montesor Rector Comboni reached us with a voice message of good wishes to couples. The coordination was held by Angelo Chirulli.

Each religious offered a message. The ceremony took place in the Garden of the family of Giorgio and Assunta Bernardi under a huge and shady cherry tree. The ceremony of wine and water continued, followed by the blessing given by all the religious representatives. All couples were given a certificate (as a reminder of the blessing) which they signed. At the end, final photo of the group with the banner and for those who wanted it, the photo of each couple with the blessing logo. We joyfully give and expand the blessing and everything becomes the magic of true love. I thank everyone for participating in this beautiful ceremony. I invite you to continue with commitment with the help of God our Heavenly parent aju. However, I emphasize that every Blessing is special! I greet everyone with a big hug.
