The FFWPU Zambia held a 7-Day Divine Principle Workshop for Youth from October 30 to November 5, 2023, at HJ CheonBo Training Center in Barlastone, Lusaka. We had Twenty-four participants from the Heavenly Tribal Messiah areas of Lusaka, Choma, and Rufunsa cities. The lectures covered all the chapters of Divine Principles and Character Education etc.

This workshop was part of the ongoing 210-day witnessing condition to share the good news of Divine Principle to new participants and prepare them for the 21-day Workshop.

Participants were happy to discover the new truth and expressed their commitment to putting into practice what they have studied, especially developing their character to become exemplary youths who will positively influence other youths in their areas and Zambia at large.

Participants who were very much inspired by lectures on family values are looking forward to implementing the program in their churches.

The graduation was held on Sunday, November 5, 2023, during a Special National Service which was broadcast live via Zoom platform.
