From May 23 to 25, 2018 we held true family movement, to bring our True Parents teaching to the students here in Mazamari Juinin in Peru. We had lectures for 100 students in 12 different location so we thought True Parents words of life to 1200.

This was the first rally to teach about true family movement here in Peru. It was a blessing for us, to give True Parents' words about the importance of having true families or God centered families in order to have a true society.

On the last day at the closing ceremony, CARP PERU Mujogun performed dance for the participants.
