We held a one-day Divine Principle and Character Education Workshop today in Mityana, a small town 72 km west of Uganda's capital Kampala

Hallo brothers and sisters, I would like to share with you our witnessing experience in Uganda. On 22nd march we held a Divine Principle Youth Workshop in a countryside areas of Mityana where I went on 21st with my assistant Jacob Aichiro and we managed to invite as many people as possible and I tell you many turned up on Saturday as we gave them the introduction to the Divine Principle, Principles of Creation and Human Fall.

It all went well as we managed to teach 71 new participants and 15 members joined us in that side to really make sure they give in their support to the youths.

I thank you all who prayed for us to be successful and we hope for more results in our next outreach next month. We have set up a follow up to all our new members to make sure we connect them to our Heavenly Parent and True Parents.
